

SOCIETY

One of the most brilliant society events of Easter week will be the 15-time ball to be given on the evening of April 6 in the auditorium of the Jefferson Hotel, under the auspices of the girls' auxiliary. The whole ballroom will be converted into an orchestra, and the booths will be arranged in summer houses at intervals around the room, with the members of the auxiliary dressed in the costume of country peasant girls. It will be a charming fete, and a perfect riot of the flowers will be used to decorate the place. All sorts of novel features have been planned, and all interested are invited to attend.

Tables for the May-time ball may be served through Mrs. Hiram M. Smith, William Byrd Park.

DR. FLANNAGAN DECLINES
Health Officer Is Tendered Post at Federal Powder Plant in West Virginia.

Dr. Roy K. Flannagan, chief health officer of this city, announced yesterday that he had declined the proposal of the United States government, offering him an important post at the Federal powder plant at Nitro, W. Va.

Shortly after the entrance of the United States in the great world war, Dr. Flannagan tendered his professional services to the United States medical reserve corps, but was prevailed upon later by friends to withdraw his name from the list, so that he might continue to direct the activities of the Health Department in this city.

What to do when Backache comes on
"I found immediate relief in the use of Foley Kidney Pills, have recommended them, and do not know of a single case when they failed to give relief."

C. U. Landrum, a traveling salesman, writes from San Angelo, Texas: "Driving over rough roads and in all kinds of weather gave me acute pains in the back and I suffered greatly. I found relief in the use of Foley Kidney Pills, and before the first bottle was used, the pain in my back had entirely disappeared and I have had no recurrence of those pains which frequently amounted to almost neuralgic proportions."

When backache comes on and it seems as if you can't stand the pain and pressure in your back, you will find quick and grateful relief comes with the use of Foley Kidney Pills. They stop the cause of the pain, ease the aching and in some cases thereby do more than help your kidneys and bladder to normal healthy action.

CLOCKS GO FORWARD ON SUNDAY MORNING

Weather Bureau Will Conform to New Time, but Will Make Allowance in Comparisons.

In accordance with the daylight saving act passed by Congress, the clocks at all weather bureau stations of the United States Department of Agriculture will be set an hour ahead at 2 o'clock on Sunday morning. The fundamental observations of the bureau, however, will continue to be made at 9 A. M. and 3 P. M. of each day. These observations have been made daily for a period of forty-seven years and cannot be changed without breaking the continuity of the records of the weather in that period. It is announced by the department that to change the observation hours would destroy the comparability of the whole year's work. If the observations from April to October, the period during which the daylight saving act is effective, were made an hour later.

JEWES OBSERVE PASSOVER

Feast Commemorates Deliverance of Israelites From Egyptian Bondage.

The Jewish feast commemorating the deliverance of the Israelites from Egyptian bondage is being celebrated from March 28 to April 4. It is the feast falling upon Nissan 15-22, and is an unmovable feast. Services are held in all synagogues. All food containing acid is removed from Jewish homes, so that there will be no temptation to transgress the biblical command that no leaven be found in the house. Reformed Jews observe seven days, while the orthodox division extend the period to eight. Upon the first and last days the former transact no business, while with the orthodox Jews the first and the last two days are full holidays. Seder, a special service, is observed on the evening of the first and second days. The ritual is elaborate.

Rabbi E. N. Calisch will speak at

the services to-night in Beth Abrahah Synagogue on the subject, "The Patriotism of Service," and Saturday morning on "The Sabbath of Passover." The services commence at 8:15 o'clock in the evening and at 11 o'clock in the morning.
